I was shocked after seeing the wheel....
...hidden beweath the city.
The workers didn't question it. They just kept feeding the engine.
So I left the factory...
And walked back into the streets of Gotham.

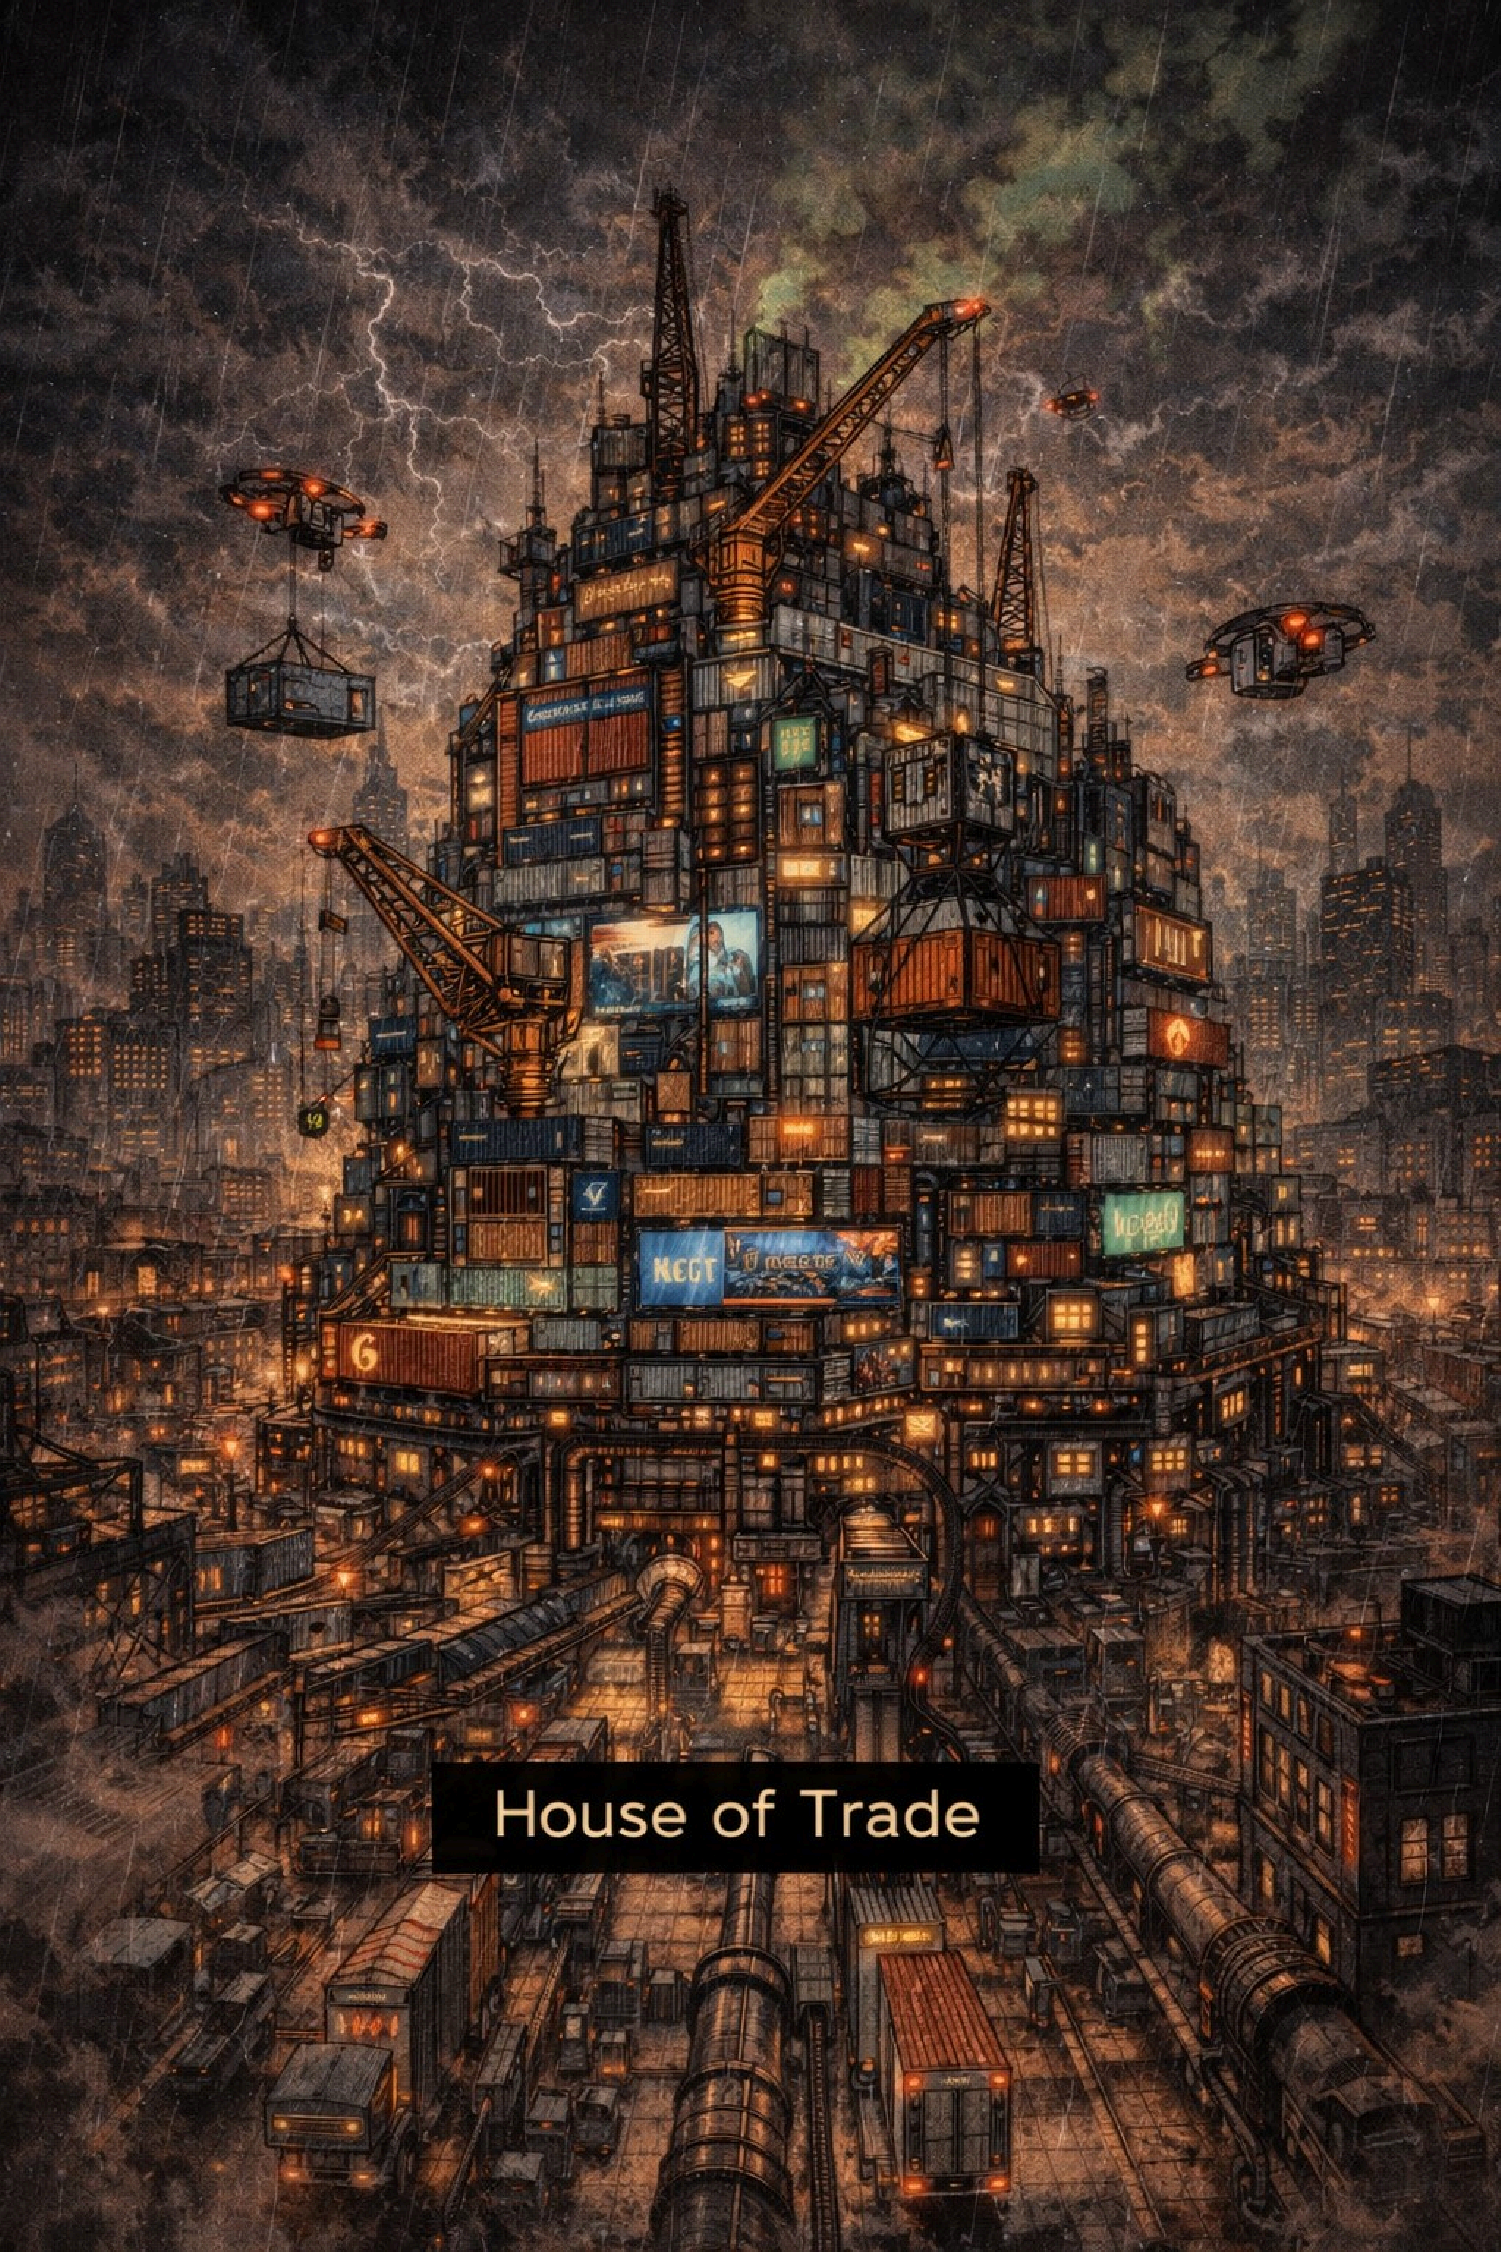
So I walked back into
the streets of Gotham.

Trying to understand
what I had seen.

TARONO
TAROX
ACE
CHEMICALS
HOMELESS
CANCER

That's when I saw them

House of Communication



House of Trade
